## GO "ALL IN"

Throughout this past year you may have seen and heard the phrase **"ALL IN"** used by not only the National Rifle Association (NRA), but other organizations as well. This year's elections may prove to be the most important in many years. The current administration has made it abundantly clear to the voters that they do not hold the "will of the people" at heart and continue to introduce and implement self-serving policies and laws.

If you are not registered to vote, do so IMMEDIATELY! Also, make sure that you read and research both sides of all issues and do not rely on the media to inform you of the pros and cons associated with election issues. Current administrations and incumbent candidates will always have the upper hand in our media, therefore, you must be vigilant in researching both sides of all issues/candidates. You must go **"ALL IN"** with your efforts to become informed.

Your right to carry and own firearms and firearm related merchandise is under fire. Following the recent tragedy in Colorado, both sides of the isle have now rekindled this debate. For years in the past, firearm issues have always created passionate conversations. It is your responsibility to go **"ALL IN"** and support our 2nd amendment rights. Without them we will no longer be able to purchase and possess firearms or firearm related merchandise. To protect our 2nd amendment rights, you must vote in support of candidates and policies that will guarantee this very precious right is not compromised or withheld.

This year's Support Our Sport (S.O.S.) dinner and auction carries the theme **"GO ALL IN."** We need your participation in this event to ensure that the Dillman Range, the Lincoln Shooting Sports Center (LSSC), and the Lincoln Rifle Club (LRC) continue to have the funds needed to operate in the best interests of the public and our membership. Over the years we have had a baseline of supporters that is outstanding, however, the LSSC/LRC has grown to over 1100 members and families. We would like to invite our new members & families to join us and experience the fun and friendship of an extraordinary evening. Participation supports the shooting sports and allows us to continue to offer the shooting experiences that we have all come to enjoy. We are asking you to **"GO ALL IN"** at our annual event and at the polls on November 6th. **STAND UNITED!**

## **DEER HUNTER SIGHT-IN EVENT**

The Club's traditional deer hunter sight-in weekend will be held on **August 25<sup>th</sup> & 26<sup>th</sup>**. Did you know that this event was included in the Club's original charter? It was listed as an annual event for the community hosted by the Lincoln Rifle Club. We have only missed a few years of hosting the event. This year, we are going to offer sight-in opportunities from 8:00 am to 3:00 pm on both days. Ten benches will be set aside to accommodate the customers. The cost will be \$10.00 per rifle. Merchandise will be for sale, as well as tickets for the Support Our Sport Dinner and Pre-Event Gun Raffle. Customers will be treated to water and snacks for the cost of a small donation, and we are even thinking about a shooting contest to identify the best shot at 100 yards. Stand by for more details.

As you can imagine, **this event needs volunteers**. We need volunteers to set and mark targets, work with customers to sight in, sell merchandise and snacks, shake hands and welcome customers to the Dillman Range, and sign in our customers. This is a great outreach to our community. Also, this is a great way to earn your work credit for the year!

Don't hesitate, we need your participation. Call Club headquarters at 916-434-0308 or send an e-mail to [lincolnrc@sbcglobal.net](mailto:lincolnrc@sbcglobal.net) to volunteer your services for this event.

## **WE ARE REMODELING & NEED YOUR HELP**

It is time to give the Club headquarters a little "facelift." We would like to remodel our office and create a more flexible space. We would like to use the space for not only our "headquarters", but for training, committee meetings, and also for the establishment of a Club Library. So here is the deal, WE NEED SOME HELP. We specifically need some help with the following tasks:

- Painting
- Carpet replacement (reduced pricing would be appreciated)
- Carpet installation
- Blinds (reduced pricing would be appreciated)
- Blinds installation
- Moving furniture
- Light carpentry (installation of shelves)

If you, or anyone you know, can help us with this project, we would appreciate your participation. This is also a very good way to earn your work credit. If you are interested, please contact the Club headquarters at 916-434-0308 or via email at [lincolnrc@sbcglobal.net](mailto:lincolnrc@sbcglobal.net). It is anticipated this project will begin immediately after our S.O.S. dinner & auction on September 8<sup>th</sup>. Thanks in advance for your enthusiasm.

## SUPPORT OUR SPORT (S.O.S.) ANNUAL DINNER & AUCTION

The theme of this year's event is "ALL IN." We would like to invite all Club members to an evening of friends, fun, and firearms. The event is scheduled for Saturday, September 8<sup>th</sup>; at the Pavilion building located in McBean park; doors open at 6:00 P.M. We will be offering games and raffles, many with firearm prizes. Also, we will be raffling an addition 13 (bakers dozen) firearms in our ALL IN firearms raffle.

Cost to attend the event this year will be \$30 for adults, \$15 for children 13 years and under, with our sponsor package being offered for \$250. The sponsor package will include; dinner for two, a special sponsor firearm raffle package valued at \$150, one chance in the sponsor only firearm drawing, commemorative gift, and preferred seating on request with honorable mention in the event program. The sponsor package is by far our best value.

Cow Camp Grill & Seasoning Co. will be preparing our dinner of tri-tip, chicken, mashed potatoes, grillin' beans, salad, and bread. A no host bar will be operating to quench your thirst and our Junior Division shooters will be on site to make sure your tables are clean, while offering you coffee and dessert.

Kevin O'Callaghan is returning again this year as our auctioneer to stir up excitement and get you to open your wallets for bidding on our "not your ordinary auction" offerings. Each year our auction provides fun, excitement, and entertainment, with the highest bidder going home with timeless treasures. We will again be conducting the Lock, Stock, & Bottle auction at which only 5 winners will compete for a premium firearm offering.

Over the past few years our Club has grown to over 1100 members. Within this membership we have experienced a core group of supporters and we hope by reducing the cost of the event and offering "affordable" games, more of our membership and family members will mark their calendars and come on out for a very fun evening. All proceeds from the S.O.S. dinner and auction are used to support the shooting sports at the Dillman Range. WE HOPE TO SEE YOU SEPTEMBER 8<sup>TH</sup>, AT 6:00.

# WE NEED YOUR STUFF

Our annual fundraising auction, held as part of the Support Our Sport (S.O.S.) dinner is in need of your contributions. For the past four years we have taken pride in offering you some very unique items. Most of these items were donated to us by Club members. We are asking you to take a moment to go out in your storage shed/garage and look around. If you see ANYTHING that you no longer have a need for, please consider donating it to us for our “not your ordinary” auction. We have a team of folks with special talents in finding new uses for items and restoring items to a refreshing appearance. You know what they say, “one man’s junk is another man’s treasure.” We also offer new and interesting items for auction, in addition to those vintage/classic items. So, if you do not find that aging treasure at your home, you can always offer up a new item, or CASH to be used to purchase items for the auction. Every year the auction proves to be a highlight of the evening and the items offered up for bid are the heartbeat of this event. If you would like to contribute to the auction, please contact us at Club Headquarters at 916-434-0308 or let us know via email at [lincolnrc@sbcglobal.net](mailto:lincolnrc@sbcglobal.net).

## **JUNIOR DIVISION STARTS UP ANOTHER SEASON**

It is that time of year for the Lincoln Junior Division program to kick off another season. The beginning stage for new shooters (ages 9-20) is held on Monday nights from September thru May. Our Junior program has been very successful in the past and we expect nothing less this year. New shooters will learn the basics of marksmanship and firearm safety. The Monday night shooters progress through the different stages of marksmanship eventually learning the different positions required for Precision Rifle competition. This beginning stage is when all shooters start their training. If you are interested in enrolling your young shooter in a premier program, now is the time. For exact start dates and times, contact Steve Katsuyama at [sskats@aol.com](mailto:sskats@aol.com) or Yvonne Katsuyama at [rocklinkats@sbcglobal.net](mailto:rocklinkats@sbcglobal.net). A special “thank you” to both Steve and Yvonne for all of their hard work with the Jr. Program.
